To whom it may concern

Tryg Garanti is a main provider of surety bonds, guarantees and trade credit insurance in the Nordic area. Bonds are issued in favour of beneficiaries both domestically and internationally.

Our main business is contract bonds for construction and manufacturing companies, however, we also issue bonds in favour of public authorities for tax, EU-compensation and other obligations.

We have offices in Denmark, Norway, Sweden and Finland. Our operations in Sweden trade in the name of Moderna Garanti.

Tryg Garanti is part of Tryg Forsikring A/S (Tryg), the second-largest provider of insurance to the Nordic area. Tryg is listed on the Nordic Stock Exchange (www.omxgroup.com). You can find more information about Tryg on www.tryg.com.

Tryg Forsikring A/S is rated A1 (stable outlook) by Moody's. The rating was reconfirmed in December 2017.

Tryg Garanti is a member of the worldwide association, International Credit Insurance & Surety Association (ICISA).
